

# FARM FOR SALE IN PENOBSCOT COUNTY

Classic, furnished, old farmhouse and 3 car garage with second floor wood working shop, situated on 5 organically run acres, located in Dexter, Maine is available for sale. While this is a small farm, it is just 1/3 mile from Main Street, which offers great potential for a farm stand, CSA, and much more. The house is fully furnished with quality furniture, and the owner will leave everything other than some personal items and mementos - including the woodworking tools, garden equipment, tractor, truck, and many more great items.

While the farm is not Certified Organic, the owner has followed practices for the past 15 years.

**Asking price for this great package is \$225,000**
